# sustainable swansea awards scheme 2010

**Sustainability** is a vision for Swansea; our city, our future, our world.

The Sustainable Swansea Awards Scheme recognises, rewards and promotes the achievements of local organisations, groups and individuals that have made an active commitment to good environmental practice and sustainable development.

Has your organisation, group or project made a real practical change towards being more sustainable in the past two years? Or perhaps you know an individual who has championed sustainability within your organisation or local community?

For example: Cutting carbon emissions - Reducing, reusing or recycling waste - Being energy efficient - Supporting sustainable travel or tourism - Protecting or enhancing wildlife - Using local materials or recycled products - Improving your local community - Promoting health eating or growing your own food

**Yes?** Why not enter the Sustainable Swansea Awards Scheme; we want to hear about your achievements!

Winning an award is a great way to let customers, partners, and your community know of your commitment to sustainability and you could inspire others to follow.

The Sustainable Swansea Awards Scheme is open to everybody in the City and County of Swansea and this year there are 7 award categories:

- Community Project Award
- Low Carbon Community Award
- Low Carbon Organisation Award
- Waste Wise Business Award
- Biodiversity Award
- Sustainable Schools Award
- Champion Award

Previous Sustainable Swansea Award winners include: Down to Earth Project, AB Glass, Cadle Primary School, Gower Explorer Network, Pitstop Car Wash, More Green Project, Blaenymaes Drop-in Centre and Swansea Community Farm.

**If you are doing your bit then get the recognition you deserve – enter now!**

## THE CLOSING DATE IS FRIDAY 9TH JULY 2010

The Sustainable Swansea Awards Scheme is coordinated by Swansea Environmental Forum as part of the Sustainable Swansea Initiative.
